Dianne, I'm having trouble accessing the Sharepoint site remotely, so please find attached my comments on the policy paper. I'm still reviewing the draft agenda.

Please let me know if I'm missing anyone for this discussion. Attached is an update to the policy paper and a draft agenda. Please use Sharepoint to provide edits. **I've added some background but the questions for managers begin on page 2.**

Let's use this meeting to:

1. Review the issues that we need to raise to managers,
2. Make sure we have all of the questions
3. Start to develop options for their decision.

I hope that I captured all of the ideas from last week but I may have missed some.

In the Background section, I will need input from:

1. Pat/Kelly on the Accounting for Growth
2. Greg Allen on the Federal Facilities
- 3.
